MEMORANDUM FOR: D/OGI
D/SOVA
D/EURA

FROM : Deputy Director for Intelligence

Regarding the attached, because Maurice Ernst has the lead on the pipeline paper for the DCI -- which clearly is related to this -- I have suggested to the NIC that Maurice also take the lead in pulling the attached project together. It is not clear to me whether this is a separate effort or an expansion of the original undertaking. In any event Maurice will be in touch with you regarding the response. In turn, please let me know the arrangements, due dates, etc.
